COMMERCIAL ITEM DESCRIPTION

RAILROAD BOARD
(WHITE AND COLORED)

The General Services Administration has authorized the use of this Commercial Item Description, for all Federal agencies, in preference to Federal Specification UU-C-201G, which has been cancelled.

Scope. This description covers railroad board, white and colored which is suitable for letterpress or offset printing of signs, display cards, covers and for text and line illustrations. Item requirements are parallel to the specification of the Joint Committee on Printing (JCP).

1. SALIENT CHARACTERISTICS:

A. Material. Railroad board shall conform to JCP Q20, "Railroad Board, White and Colored" as set forth in the Government Paper Specification Standards.

B. Dimensions. Paper shall be furnished in the size(s) ordered (See Section 6, Ordering Data).

Beneficial comments, recommendations, additions, deletions, clarifications, etc. and any data which may improve this document, should be sent to: General Services Administration, Federal Supply Service, 26 Federal Plaza, New York, NY 10278 ATTN: Engineering Branch (2FYEE)

Distribution Statement A:
Approved for public release; distribution is unlimited.

2. **QUALITY ASSURANCE**:

A. **Responsibility for Inspection**: Unless otherwise specified in the contract or purchase order, the supplier is responsible for the performance of all the inspection requirements of this CID. Except as otherwise specified, the supplier may utilize his own facilities or any commercial laboratory acceptable to the Government. The Government reserves the right to perform any of the inspections set forth in the Commercial Item Description, where such inspections are deemed necessary to assure that supplies and services conform to prescribed requirements (See Section 6, Ordering Data).

B. **Sampling**. All sampling shall be in accordance with JCP Q20 of the Government Paper Specification Standards published by the Joint Committee on Printing. For sampling purposes, a lot shall consist of the same type, color and thickness of board offered for inspection at one time.

C. **Testing**. Testing shall be in accordance with Part 2, Testing Standards and Definitions, of the Government Paper Specification Standards published by the Joint Committee on Printing. (Note: See individual TAPPI's for specific sampling instructions).

D. Acceptance criteria shall be as specified in Part 4, Acceptance Criteria, of the Government Paper Specification Standards published by the Joint Committee on Printing.

3. **REGULATORY REQUIREMENT**: The contractor shall certify that the product offered shall include 100 percent waste paper, to include a minimum of 10 percent postconsumer recovered material in accordance with 40 CFR, Part 250. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

4. **PREPARATION FOR DELIVERY**. Preservation, packaging, packing, labelling and marking shall be as specified in the contract or order.

5. **APPLICABLE DOCUMENTS AND DOCUMENT SOURCES**: The following documents form a part of this Commercial Item Description to the extent specified herein. Unless otherwise indicated, the issue in effect on the date of invitation for bids or request for proposal shall apply:
