MILITARY SPECIFICATION

CABLES, for M15 WARHEAD SECTION SUBASSEMBLY

This amendment forms a part of Military Specification MIL-C-50963A(AR) dated 1 February 1979.

PAGE 7

Delete paragraph 4.3.1 and substitute:

"4.3.1 Submission.- When the contract requires first article inspection, the contractor shall submit the following first article samples to the testing facility designated in the invitation for bids or request for proposal:

(a) Type I cables: Two cables shall be selected to represent all of the Type I cables that are being produced. NOTE: (a) These shall be two different cables when more than one model is being produced and (b) a 3W9 or a 3W10 cable shall be included in the sample if either one of these models is being produced.

(b) Type II cables: One cable of each model that is being produced."
