UU-C-201G
INTERIM AMENDMENT-1
April 20, 1989

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

CARDBOARD AND RAILROAD BOARD

(MANILA AND WOOD)

This interim amendment was developed by the General Services Administration, Federal Supply Service, New York, N.Y. 10278, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to UU-C-201G dated November 30, 1972.

PAGE 2

After paragraph 3.2.4, add the following paragraph:

"3.2.5 Regulatory requirements. The contractor shall certify that the product offered shall include a minimum of 80% post-consumer recovered material. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

PAGE 4

After paragraph 6.4, add the following paragraph:

"6.5 Definition. Post consumer recovered material is defined as paper, paperboard and fibrous wastes from factories, retail stores, office buildings, homes, etc. after they have passed through their end usage as a consumer item, including: used corrugated boxes; old newspapers; old magazine; mixed waste paper; tabulating cards; and used cordage. All paper, paperboard, and fibrous waste that enter and are collected from municipal solid waste."
