Enclosure 1 to
ASCC/2/1 (41) dated 21Aug98

TERMS OF REFERENCE FOR ABCA/ASCC SPECIAL WORKING PARTY ON COALITION AIRSPACE CONTROL (CAC)

1. Authority. Special Working Party Coalition Airspace Control, short title SWP CAC, is established by the Washington Standardization Officers (WSO) and the ASCC National Directors (NDs) under the provisions of the Basic Standardization Agreement, 1964 and the ASCC Agreement (Fifth Addendum), 1976.

2. Command and Reporting Channels. SWP AC is under the direction of, and reports to, Standing Chairman QWG AD Arty and Standing Chairman ASCC WP 90.

3. Responsibilities. The SWP responsibilities are to:

a. Complete ASCC Project 90/108 'Coalition Airspace Control Manual' (draft AIRSTD 90/12), parts of which will be included in the ABCA Coalition Operations Handbook as a chapter on AC matters; in order to achieve standardization tasks currently assigned in the QWG AD Arty Program Plan of Action and ASCC Task Order.

b. Propose a course of action for ABCA and ASCC input into the development of JP 3-01.6 `*Joint Air Defense Operations*'.

4. Task. The authorized task of SWP CAC is 'to develop interoperable techniques and procedures for planning coalition airspace control'.

5. Membership. The SWP will comprise:

a. Joint Standing Chairmen appointed from the ABCA PSO and ASCC MC.

b. At least two representatives from each of the ABCA and ASCC Programs. The ASCC representatives are to have disciplines in AD Control and AD Operations (Doctrine). The ABCA representatives are to be fully conversant with US Army and BCA AC matters.

6. Method of Working. The SWP is to operate in accordance with QSOPs and ASCC Instructions. It is to meet at the recommendation of the SC QWG AD Arty /SCh WP 90 and the approval of WSO/NDs. It is to focus on coalition needs only.

7. Timeframe of Work. The SWP is to conduct a review of relevant US single service

doctrinal and procedural publications at the operational level within the structural framework provided by the second meeting of SWP AC. A joint work session is to be held before the end of 1998, a first draft submitted at EM QWG AD Arty in Mar 99 and a completed draft to WP 90 in May 99. The SWP will be disbanded on completion of its work.

8. Review. These TOR are to be reviewed at each QWG AD Arty meeting, with a recommendation to WSO/NDs for the closure or continuation of the SWP.

9. Amendment. These TOR may only be amended on the authority of WSO/NDs. Any proposals for change should be submitted to the WSO/NDs through the PSO/MC.
