COMMERCIAL ITEM DESCRIPTION

TIRE CHAIN, REINFORCED, PASSENGER CAR (TYPE RP) WITH REPLACEMENT CROSS CHAINS

The General Services Administration has authorized the use of this commercial item description in lieu of Interim Federal Specification RR-C-00281.

Salient characteristics:

Passenger car reinforced tire chains and replacement cross chains furnished under this commercial item description shall comply with the National Association of Chain Manufacturers Tire Chain Specification (NACM-5179 TC).

The issue of NACM-5179 TC in effect on the date of the solicitation shall be used to determine compliance with stated requirements.

Code number. The following code numbers apply to the National Stock Number (NSN), tire size, side chain length, cross chain length, and replacement cross chain code number.

Code No.	NSN	Tire Size	Side Chain Nominal Length, Including Closed Fastner Inches	Cross Chain Nominal Inside Length With Hooks	Replacement Cross Chain Code No.

Certification. The contractor shall certify that the product offered meets the salient characteristics of this description, and that the product conforms to the producer's own drawings, specifications, standards and quality assurance practices and is the same product offered for sale in the commercial marketplace. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Recovered materials. The manufacturer shall utilize recovered materials to the maximum extent practicable.

Preservation, packaging, packing, and marking. The preservation, packaging, and packing shall be in accordance with normal commercial practice and shall assure acceptance by common carrier and provide product protection against loss and damage during multiple shipments, handling, and storage. The shipping container shall be in compliance with the National Motor Freight Classification and Uniform Freight Classification. Marking shall be as specified in the contract or order.

Note: When ordering, specify National Stock Number of chain and replacement cross chain code number when required.

Copies of the National Association of Chain Manufacturer, Tire Chain Specification NACM-5179 (TC) are available from the National Association of Chain Manufacturers, 500 North Michigan Avenue, Chicago, IL 60611.
