FF-N-180A
INTERIM AMENDMENT-1(Army-GL)
March 26, 1970

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

NEEDLES, EXCEPT SURGICAL, HAND

This Interim Amendment was developed by the US Army Natick Laboratories (GL), Natick, Massachusetts 01760, based on currently available technical information. It is recommended that Federal Agencies use it in procurement and forward recommendations for changes to the Preparing Activity at the address shown above. The General Services Administration has authorized Federal Agencies to use this Interim Amendment as a valid exception to Federal Specification FF-N-180a, dated 3 February 1966.

PAGE 1
