Operation 16.j Delete in it's entirety. Re-alphabetize remaining operations.

PAGE 19

Operation 18. Join outseams. Finished appearance. Delete and substitute: "The outseams shall be joined with notches matching and abutted to the corded edge of the white stripe."

Operation 18.a Delete and substitute: "Insert the corded edge of the white stripe between the edges of the trousers outseam with the outseam abutted to the cord edge, and join with a 3/8 inch seam."

PAGE 20

Operation 19.a Attach ornamental stripes. Delete and substitute: "Position the 1/2 inch wide scarlet stripes 3/16 inch from the corded white edge and stitch the inner and outer edges to the trousers leg 1/8 inch from the edges. The stripe will finish with 1/2 inch scarlet stripes on either side with 3/16 inch of the blue trouser material showing on either side of the centered white cord edge. The outseam allowance will not be caught in the scarlet stripe stitching."

-or-

19.b An alternate method of fabricating the stripes is by sewing the center of a 1/8 inch wide white rayon tape in the middle of a 1 inch wide strip of the basic blue fabric and then stitching the scarlet stripes, 3/16 inch from the edges of the white tape and then stitching the finished stripe on the trousers centered over the outseam. 301 /SSa-1 10-14 A A (Silk)
