DATA ITEM DESCRIPTION

Title: REQUEST FOR CONFIRMATION OF NOMENCLATURE

Number: DI-SESS-81652
AMSC Number: N7555
DTIC Applicable: No
Office of Primary Responsibility: N/AIR-4.9.1
Applicable Forms: N/A

Approval Date: 05092005
Limitation: N/A
GIDEP Applicable: No

Use/relationship: The purpose of this request is to have nomenclature confirmed for previously nomenclatured items to be procured on follow-on production contracts or other procurement action.

a. This DID contains instructions for requesting confirmation of nomenclature for electronic aeronautical and support equipment required by 3.2.2 of MIL-DTL-18307(AS).

b. This DID is applicable to the acquisition of electronic aeronautical and support equipment. When applied in contracts, this DID will be tailored to the specific information required in Block 16 of the DD Form 1423, Contract Data Requirements List (CDRL).

This DID supersedes DI-CMAN-80194.

Requirements:

1. Reference documents. The applicable issue of the document cited herein, including their approval dates and dates of any applicable amendments, notices, and revisions, shall be as cited in the solicitation or contract.

2. Format. The request for confirmation of nomenclature shall be a formal letter in contractor format.

3. Content. The request for confirmation of nomenclature for electronic aeronautical and support equipment shall be as specified in 3.2.2 of MIL-DTL-18307(AS) or as specified in the contract.

4. END OF DI-SESS-81652
