ANSI B46.1-78 Surface Texture (Surface Roughness, Waviness and Lay)

(Application for copies should be addressed to the American National Standards Institute (ANSI), 1430 Broadway, NY 10018.)

(Nongovernment standards and other publications are normally available from the organization which prepares or which distributes the documents. These documents also may be available in or through libraries or other informational services.)"

PAGE 3

4.2.1 Delete: "50 shear pins from the same lot of shear pins tested by the contractor."

PAGE 4

* 4.3.2, line 9, change "ASA B46.1" to "ANSI B46.1-78".

Changes from previous issue. The margins of this specification are marked with an asterisk to indicate where changes (additions, modifications, corrections, deletions) from the previous issue were made. This was done as a convenience only, and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous issue.
