MIL-C-10392B
AMENDMENT 3

14 SEPTEMBER 1966

SUPERSEDING
Int. Amendment-2 EL
24 June 1965 and
Amendment-1
29 April 1959

MILITARY SPECIFICATION

CABLES, SPECIAL PURPOSE, ELECTRICAL
(MINIATURE)

This amendment forms a part of Military Specification MIL-C-10392B, dated 17 September 1958, and is mandatory for use by all Departments and Agencies of the Department of Defense.

1. Page 2, paragraph 3.2, row 10 (WM-70B/U) column 3:

Change 2 to $\begin{cases} 2 \\ 6 \end{cases}$

2. Page 4, paragraph 3.7.4, row 7, column 2: Change 1630 to 1620.

3. Page 7, paragraph 3.15 - Delete entire paragraph and substitute:

"3.15 Flexing life requirements. The finished cables except WD-27A/U shall be capable of being flexed, without loss of continuity of any of the conductors, for not less than 30,000 cycles, when tested as specified in 4.6. Cable WD-27A/U shall be capable of being flexed without loss of continuity of any of the conductors for not less than 15,000 cycles."

4. Page 10, paragraph 4.6 - Delete the sentences: "The spring shall be extended when the actuating arm is in the horizontal position such that a 5 pound pull is exerted on the cable. When the arm is in the vertical position, the pull shall be not less than 4.5 pounds."

Substitute with the following sentences: "The spring shall be extended when the actuating arm is in the horizontal position such that a one pound pull for Cable WD-27A/U, a two pound pull for Cables WT-15A/U,
