food starches, flavorings, flour, salt, sugar, rolled oats, and other suitable seasonings. Western style chili shall also contain sweet green peppers and sweet onions.

3.2.1 **Meat:** The meat shall be ground beef that meets the requirements found in 9 CFR 319.15(a) and conforms to the applicable provisions of the Meat and Poultry Inspection Regulations (9 CFR Parts 301 to 350) of the U.S. Department of Agriculture. Noncarcass components (e.g., cheek meat, head meat, ox tails, esophagus, hearts, and by-products) shall not be used.

3.2.2 **Beans:** The quality of the pinto, kidney, black, and red beans used with the chili shall be of not less than U.S. No. 2 Grade.

3.3 **Finished product:**

3.3.1 **Appearance:** Each type of canned chili with beans shall be practically free from product defects such as discolored beans, loose skins, and any other defects that materially detract from the appearance of the product. Each type of canned chili with beans shall show no evidence of excessive heating (materially scorched).

3.3.2 **Flavor and odor:** Each type of canned chili with beans shall possess characteristic flavor and odor, and shall be free from objectionable flavors or foreign odors.

3.3.3 **Color:** Each type of canned chili with beans shall possess a characteristic color.

3.3.4 **Texture:** The beans for each type of canned chili with beans shall not be hard or mushy.

3.3.5 **Age requirement:** Unless otherwise specified in the solicitation, contract, or purchase order, all types of canned chili with beans shall be prepared and processed from the current year's crop.

3.3.6 **Foreign material:** All ingredients shall be clean, sound, wholesome, and free from evidence of rodent or insect infestation.

4. REGULATORY REQUIREMENTS.

4.1 The meat component and the finished product shall originate and be produced, processed, and stored in compliance with all applicable provisions of the Meat and Poultry Inspection Act and the regulations promulgated thereunder. The delivered canned chili with beans shall comply with all applicable Federal and State mandatory requirements and regulations relating to the preparation, packaging, labeling, storage, distribution, and sale of the canned chili with

beans in the commercial marketplace. Delivered canned chili with beans shall conform in every respect to the provisions of the Meat and Poultry Inspection Act and regulations promulgated thereunder.

5. QUALITY ASSURANCE PROVISIONS.

5.1 Product conformance. The canned chili with beans provided shall meet the salient characteristics of this CID, conform to the producer's own specifications, standards, and quality assurance practices, and be the same canned chili with beans offered for sale in the commercial market. The Government reserves the right to require proof of such conformance.

5.2 Quality assurance. When the solicitation, contract, or purchase order requires that prepared canned chili with beans quality or acceptability or both be determined, the Processed Products Branch (PPB), Fruit and Vegetable Programs, Agricultural Marketing Service, U.S. Department of Agriculture shall be the certifying activity and shall make the determination in accordance with applicable PPB procedures. The canned chili with beans shall be examined or analyzed or both in accordance with applicable provisions in this CID, solicitation, contract, or purchase order, and, when applicable, the United States Standards for Condition of Food Containers in effect on the date of the solicitation.

6. PACKAGING.

6.1 Preservation, packaging, packing, labeling, and case marking. Preservation, packaging, packing, labeling, and case marking shall be as specified in the solicitation, contract, or purchase order.

7. NOTES.

7.1 Purchasers shall specify:

- Type of product(s) desired.

7.2 Sources of documents.

7.2.1 Sources of information for governmental documents are as follows:
