Unit. Package (PG).

For Size 1, shall be supplied 21 tablets (one cycle) in a blister type rectangular package fitted into a plastic platform, imprinted with weekdays as a recording aid to the patient. One package containing 126 tablets (6 filled plastic platforms) together with one plastic case holder, as specified, constitutes one unit.

For Size 2, shall be supplied 28 tablets (one cycle) in a blister type octangular package fitted into a plastic platform, imprinted with weekdays as a recording aid to the patient. Twenty-one tablets shall contain the active ingredients and 7 tablets shall contain the inert (inactive) ingredients. Each plastic platform with tablets shall be packaged in a plastic case holder. One package containing 168 tablets (6 filled plastic platforms) together with 6 plastic case holders, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.
