COMMERCIAL ITEM DESCRIPTION

POTASSIUM CHLORIDE EXTENDED-RELEASE TABLETS, USP

The General Services Administration has authorized the use of this Commercial Item Description as a replacement for Military Specification MIL-B-37201 which is cancelled.

Salient Characteristics:

Shall be Potassium Chloride Extended-Release Tablets, USP.

Shall be in accordance with the requirements of the USP.

For Strength 1, shall be extended-release tablets containing 600 mg of Potassium Chloride, equivalent to 8 mEq of potassium per tablet within the applicable assay limits.

The tablets must be considered by the FDA to be therapeutically equivalent with Potassium Chloride Tablets Controlled Release by Ciba-Geigy at the same dosage and administration schedule.

For Strength 2, shall be extended-release, wax matrix, film coated tablets containing 750 mg of Potassium Chloride (equivalent to 10 mEq each of potassium and chloride) within the applicable assay limits.

Workmanship. Tablets shall be free from defects which detract from their appearance or impair their serviceability.

Unit.

For Size 1, Bottle (BT). One bottle containing 100 tablets, as specified, constitutes one unit.

AMSC/NA FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Check the source to verify that this is the current version before use.

For Size 2, Bottle (BT). One bottle containing 1000 tablets, as specified, constitutes one unit.

For Size 3, Package (PG). One package containing 100 tablets, individually sealed in a commercially available blister or strip packaging as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurdisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
