INTERIM AMENDMENT TO FEDERAL SPECIFICATION

CLAMP, MATERIAL LIFTING (PLATE, HORIZONTAL LIFT AND VERTICAL LIFT)

(This interim amendment was developed by the Department of the Navy, Naval Ship Engineering Center, Washington, D. C. 20360, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification GGG-C-412b.)

Page 2, paragraph 3.1: Delete and substitute:

"3.1 Qualification. Material lifting clamps furnished under this specification shall be products which are qualified for listing on the applicable qualified products list at the time set for opening of bids (see 4.3.1 and 6.3)."

Page 4, paragraph 3.8: Add the following at end of paragraph: "Minimum working depth of throat for type II clamps, when measured from centerline of gripping pad, shall be not less than 1-1/2 times the specified maximum plate thickness capacity."

Page 7, paragraph 4.3.1, line 3: Delete "Bureau of Ships" and substitute "Naval Ship Engineering Center"; lines 11 and 12: Delete "Bureau of Ships" and substitute "Naval Ship Engineering Center".

Page 10, paragraphs 6.3 and 6.4: Delete and substitute:

"6.3 With respect to products requiring qualification, awards will be made only for products which are at the time set for opening of bids, qualified for inclusion in applicable Qualified Products List QPL-GGG-C-412 whether or not such products have actually been so listed by that date. The attention of the suppliers is called to this requirement, and manufacturers are urged to arrange to have the products that they propose to offer to the Federal Government tested for qualification in order that they may be eligible to be awarded contracts or

orders for the products covered by this specification. The activity responsible for the Qualified Products List is the Naval Ship Engineering Center, Department of the Navy, Washington, D. C. 20360, and information pertaining to qualification of products may be obtained from that activity. Application for Qualification tests shall be made in accordance with "Provision Governing Qualification SD-6" (see 6.4).

"6.4 Copies of "Provisions Governing Qualification SD-6" may be obtained upon application to Commanding Officer, Naval Supply Depot, 5801 Tabor Avenue, Philadelphia, Pennsylvania 19120."
