CCC-C-444C
INTERIM AMENDMENT-1(Army-GL)
March 20, 1970

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

CLOTH, JEAN, COTTON

This Interim Amendment was developed by the U.S. Army Natick Laboratories (GL), Natick, Massachusetts 01760, for use by Defense Personnel Support Center, based on currently available technical information. It is recommended that Federal Agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above. The General Services Administration has authorized Federal Agencies to use this Interim Amendment as a valid exception to Federal Specification CCC-C-444C, dated June 4, 1969.

PAGE 2
