PROCUREMENT SPECIFICATION	ARMY-NAVY AERONAUTICAL STANDARD	AN3201
AN-A-19	AMMETER - DIRECT CURRENT	

SUPERSEDES CLASS C AMMETERS ON NAF DRAWING 1091

NOTE: This drawing was approved by joint action of the War and Navy Departments as the Army-Navy standard for this product. This drawing supersedes all antecedent standard drawings for the same product and shall become effective for the procurement of aeronautical supplies, or for use in new design, not later than six months after the latest date of approval shown. It may be put into effect, however, at an earlier date after promulgation.

NOTICE: No deviation from this drawing shall be permitted except as a war emergency measure and then only after formal authorization is granted by the Air Technical Service Command on Army contracts or by the Bureau of Aeronautics on Navy contracts.
