INTERIM COMMERCIAL ITEM DESCRIPTION

BENZOCAINE ORAL TOPICAL SOLUTION

The General Services Administration has authorized the use of this Interim Commercial Item Description which was developed by the Defense Personnel Support Center, Directorate of Medical Materiel, DPSC-RST, 2800 South 20th Street, Philadelphia, PA 19101, based upon currently available technical information.

Salient characteristics:

Shall be Benzocaine Oral Topical Solution.

Shall be a pina colada flavored solution containing 20 percent Benzocaine in a sugar free, water soluble polyethylene glycol base suitable for use in the oral mucosa.

Shall contain not less than 90.0 percent and not more than 110.0 percent of the required amount of Benzocaine, when tested by a suitable, accurate and reproducible method.

The solution shall meet the requirements for absence of Staphylococcus aureus and Pseudomonas aeruginosa under Microbial Limit Test (61) in the USP.

The solution shall have stability data acceptable to FDA to support a minimum of three year shelf life.

Materials used in the manufacture of the solution shall be of a pharmaceutical grade.

Workmanship. The solution shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Bottle (BT). One bottle containing 1 fl oz (29.5 ml), as specified, constitutes one unit.

AMSC/NA FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE: The following National Stock Number is covered by this document:

NSN	ITEM IDENTIFICATION
6505-01-064-5770	BENZOCAINE ORAL TOPICAL SOLUTION, 20%, 1 fl oz, (29.5 ml)
