10. Preparation Instructions (continued)

COLUMN NUMBER	DATA ELEMENT	DESCRIPTION
19-24	Category Code (CAT)	Category 923XXX requires two alpha location codes. Category 912XXX requires IHF code of 01-08, 12, 16-20, 22, 26-32, 35, 38-41, 46, 49, 53, 55 or 56. Category (all, except 510001) in an inventory control B record requires an inventory control D record with a matching category. Category 510001 in a major record for a hospital facility cannot have a matching detail record with category equal to 510001.
25-30	Vacant Area	Must be: Positive numeric or zero. Equal to area amount unit of measure and condition code is 4 or 5 and inventory control is A, B, D, E, or X. Equal to other amount if category has no area amount unit of measure and condition code is 4 or 5 and inventory control is A, B, D, E, or X.
31-36	Out-Grant Non-Lease Area	Must be: Positive numeric entry if tenant command/tenant activity field has a numeric entry greater than 50 (other than 51 and 54) and Out-Grant Lease area are zeros and RP Inventory Control is A, D, E, or X. Zeros if columns 15-16 are 51, 54, alphanumeric, or numeric less than 50 and RP inventory control is other than B or C.
37-42	Out-Grant Lease Area	Must be: Positive numeric entry or zeros. Positive numeric entry if columns 15-16 have a numeric entry greater than 50 (other than 51 and 54) and outgrant outlease area is zero and inventory control is A, D, E, or X. Zero if columns 15-16 are 51,54 alphanumeric or numeric less than 50 and inventory control is other than B or C.

10. Preparation Instructions (continued)

COLUMN NUMBER	DATA ELEMENT	DESCRIPTION
43-49	Area Amount	Must have a positive numeric entry if RP category code requires area amount unit of measure. Must be zeros if RP category does not require area Amount Unit of Measure. Must be 500 square feet or more if inventory control is D and RP category is other than 711111 thru 711231 or other amount is zero. Must have a positive numeric entry if inventory control is A, B, C, D. EXCEPTION: Category code 92229X. Sum of vacant area, outgrant lease area and outgrant non-lease area must not exceed total area amount for any line entry requiring Area Unit of Measure. Must have square foot unit of measure if inventory control code is A, B, or D. Acres unit of measure if inventory control code is C. EXCEPTION: Category code is 92229X. AC/SY or SF unit of measure if inventory control code is E or X and category code requires Area Unit of Measure.
50-56	Other Amount	Must have a positive numeric entry if category code requires Other Amount unit of measure. Must be zeros if category does not require other unit of measure. Sum of vacant area, outgrant Non-Lease area, and outgrant lease area must not exceed other amount for any line requiring only other unit of measure. Other amount in inventory control B and D records with matching category code (except 711111 thru 711231) must be equal. Other Amount in inventory control B record with category code 711111 thru 711231 (family housing) must equal sum of Other Amount in D records.
