CANCELLED
CANCELLED AFTER 18 JUN 1990
NO SUPERSEDING STANDARD

MATERIAL: The bottles shall be molded of polyethylene plastic, natural color.

DESIGN: Bottles shall be conventional cylindrical shape with integrally molded threaded necks to accomodate screw closures. The larger sizes have handles for easy carrying. The dispensing mechanism shall afford positive, easy control with leakproof operation.

NOTES: 1. Items differing from this military standard by minor variations in design or dimensions are considered standard under this document, provided such variations do not affect performance and are not in conflict with the material requirements as specified herein.
