W-F-870
CANCELLATION
November 9, 1984

FEDERAL SPECIFICATION

FUSEHOLDERS AND FUSECLIPS (FOR PLUG AND ENCLOSED CARTRIDGE FUSES)

This cancellation is approved by the Assistant Administrator, Office of Federal Supply and Services, General Services Administration.

Federal Specification W-F-870D/GEN, dated November 13, 1978, has been superseded by Underwriters Laboratories Inc. (UL) Standard, UL 512, Fuseholder. Details are on the individual cancellation notices of the Federal Specification Sheets.

UL Standard 512 has been adopted by GSA-FSS.
