PROCUREMENT SPECIFICATION	AIR FORCE-NAVY AERONAUTICAL STANDARD	AN3088
MIL-L-6723	LIGHT ASSEMBLY, ANCHOR	

NOTICE - Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation, the United States Government thereby incurs no responsibility, nor any obligation whatsoever, and the fact that the Government may have formulated, furnished, or in any way supplied the said drawings, specifications, or other data is not to be regarded by implication or otherwise as in any manner licensing the holder or any other person or corporation, or conveying any rights or permission to manufacture, use or sell any patented invention that may in any way be related thereto.

NOTE - drawing was approved by Joint action of the Air Forces and Navy Departments as an Air Force-Navy standard product. This drawing supersedes all associated standard drawings for the same product and shall become effective for the procurement of aeronautical supplies on the date stipulated in the solicitation, but not later than six months after the latest date of approval shown.
