MIL-K-21153B(DOCKS)
NOTICE-1
5 April 1976

MILITARY SPECIFICATION

KEEL BLOCKS AND BILGE BLOCKS,
LAMINATED WOOD

Specification MIL-K-21153B(DOCKS), dated 15 November 1962, is hereby canceled. Future procurement of Keel Blocks and Bilge Blocks, Laminated Wood, should be made under US Department of Commerce Voluntary Product Standard PS 56 for Structural Glued Laminated Timber and Federal Specification TT-W-571, Wood Preservation: Treating Practices. Procurement of Laminated Wood Keel Blocks and Bilge Blocks made under PS 56 shall specify a species of timber acceptable for blocking of ships of the US Navy. When wood preservation treatment is required, timber shall not be treated with creosote or other flammable chemical due to fire hazard.

(Copies of specifications, standards, drawings, and publications required by contractors in connection with specific procurement functions should be obtained from the procuring activity or as directed by the contracting officer.)
