PAGE 3

Delete section 5 in its entirety and substitute:

"5. PACKAGING

5.1 Packaging. For acquisition purposes, the packaging requirements shall be as specified in the contract or order (see 6.2). When actual packaging of materiel is to be performed by DoD personnel, these personnel need to contact the responsible packaging activity to ascertain requisite packaging requirements. Packaging requirements are maintained by the Inventory Control Point's packaging activity within the Military Department or Defense Agency, or within the Military Department's Systems Command. Packaging data retrieval is available from the managing Military Department's or Defense Agency's automated packaging files, CD-ROM products, or by contacting the responsible packaging activity."

6.2: Add the following: "(c) Packaging requirements (see 5.1 and 6.5)."

PAGE 4

Add as new paragraph:

"6.5 Suggested packaging.

(The packaging requirements specified herein are suggested and apply only for direct Government procurements.)

6.5.1 Sub-contracted material and parts. The packaging requirements of referenced documents listed in Section 2 do not apply when material and parts are acquired by the supplier for incorporation into the equipment and lose their separate identity when the equipment is shipped.

6.5.2 Preservation, packing, and marking.

6.5.2.1 The electrical insulating tape should be preserved, packed, and marked in accordance with MIL-E-17555 (see 3.3.6). The tape should be wound in rolls containing the length specified in 3.2."
