PAGE 48

Add a new paragraph:

6.19 International standardization agreements. Certain provisions (see 3.7 and 6.15) of this specification are the subject of international standardization agreement (Quadrilateral MOU Concerning the standardization of Elements of 155MM Howitzer and Ammunition, 28 April 78). When amendment, revision, or cancellation of this specification is proposed which will affect or violate the international agreement concerned, the preparing activity will take appropriate reconciliation action through Project Manager, Cannon Artillery Weapons Systems/Joint Project Manager, Semi-Active Laser Guided Projectiles (PM-CAWS/JPM SAL GP).

NOTE: "The margins of this amendment are marked with an asterisk to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment."
