PAGE 5

* 3.5.1 Delete subparagraphs 3.5.1 a. and b.

PAGE 9

Add: "4.9 Classification of characteristics. The Characteristics specified herein are classified as critical, major or minor in accordance with DOD-STD-2101. Critical characteristics are identified by the symbol (C) and major characteristics by the symbol (M). All other characteristics are classified minor. The number following the classification symbol is the serial number of the characteristic to be verified, the following exception to DOD-STD-2101 applies to classification of drawing characteristics:

When the classification applies to only a portion of a note or dimensional characteristic, or there are several classifications applicable, the applicable portions of the note shall be enclosed in brackets in lieu of parentheses, followed by the classification code and serial number."

DD FORM 1426

* Change "(5011)" in address to "(524)".

The margins of this amendment are marked with an asterisk to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
