MIL-T-52964/1(ME)
23 July 1979

MILITARY SPECIFICATION SHEET

TOPOGRAPHIC SUPPORT SYSTEM (TSS):

OPERATIONS SECTION, TOPOGRAPHIC SUPPORT SET,

SEMITRAILER MOUNTED

This specification sheet is approved for use by the Mobility Equipment Research and Development Command, Department of the Army, and is available for use by all Departments and Agencies of the Department of Defense.

The complete requirements for procuring the operations section described herein shall consist of this document and the latest issue of MIL-T-52964(ME).

REQUIREMENTS:

The operations section shall be as shown in Figure 1 and shall be equipped with the components listed in SC 6675-97-CL-E61.

INTENDED USE:

The operations section (with assigned personnel) will administer and technically control the TSS. It is also responsible for supply, maintenance, and other housekeeping activities. Additional functions include, but are not limited to receiving, reviewing, and screening user requests or requirements, determining the availability or lack of data base material in the TSS to answer requests, determining the exact output that is acceptable to the user within the scope of TSS's capabilities, planning operational sequences and establishing work priorities, programming, and assigning tasks to appropriate subsystems, modules, or selected individuals, monitoring, and coordinating all on-going tasks within the TSS, editing, and evaluating outputs to insure compliance with requests, monitoring the dissemination of the outputs, planning, and programming routine tasks to be performed by the subsystems during periods of no active requests, maintaining cognizance of the status of the TSS Data Bank inventory.

STANDARDIZATION DOCUMENT IMPROVEMENT PROPOSAL

OMB Approval
No. 22-R255

INSTRUCTIONS: The purpose of this form is to solicit beneficial comments which will help achieve procurement of suitable products at reasonable cost and minimum delay, or will otherwise enhance use of the document. DoD contractors, government activities, or manufacturers/vendors who are prospective suppliers of the product are invited to submit comments to the government. Fold on lines on reverse side, staple in corner, and send to preparing activity. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements. Attach any pertinent data which may be of use in improving this document. If there are additional papers, attach to form and place both in an envelope addressed to preparing activity.
