PAGE 12

* 4.4.2: Delete "Where first article testing is specified in procurement document, the quality conformance tests of 4.4.2.2 will not be performed for the first 450 pieces of product." and substitute:

"When the number of units in the first article lot exceeds the number of units required for first article testing, the balance of the first article lot (the untested units) may be used for production without quality conformance tests if the first article lot does not exceed 450 units and the contractor passes first article testing."

PAGE 14

4.4.2.2, minor 201: Add "2/" after "(Non-destructive)."

Note 2: Add "I," after "Groups".

PAGE 17

4.5.1, line 2: Delete "determine the minimum strength" and substitute "destruction".

4.5.1, last sentence: Delete in its entirety.

The margins of this amendment are marked with an asterisk or vertical lines to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as convenience only and the government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
