COMMERCIAL ITEM DESCRIPTION

CETYLPYRIDINIUM CHLORIDE SOLUTION, ALCOHOLIC

The General Services Administration has authorized the use of this Commercial Item Description as a replacement for Military Specification MIL-C-36351B which is cancelled.

Salient characteristics.

Shall be a pleasant-tasting, clear, non-toxic, non-irritating, hydroalcoholic solution containing 0.05 percent W/V (1:2000) Cetylpyridinium Chloride.

Shall contain not less than 95.0 percent and not more than 105.0 percent of the required amount of Cetylpyridinium Chloride when assayed by a suitable, accurate and reproducible method.

The solution shall have a pH of 7.0 to 7.8 at 25°C when determined using USP method.

The solution shall assay to contain not more than 16 percent Alcohol when determined using USP method.

Materials used in the manufacture of the solution shall be of a pharmaceutical grade.

Workmanship. The solution shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Package (PG). Shall be supplied in a bottle containing 4 fl oz (118 ml) of solution. Bottle shall be supplied with either an inner or outer tamper evident seal. One package containing 60 bottles, as specified, constitutes one unit.

AMSC/NA FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE: The following National Stock Number is covered by this document:

NSN	ITEM IDENTIFICATION
6505-01-101-2124	CETYLPYRIDINIUM CHLORIDE SOLUTION, ALCOHOLIC, 0.05 %, 4 fl oz (118 ml), 60s
