MILITARY SPECIFICATION

FITTINGS, FLARELESS, FLUID CONNECTION

(SHIPBOARD USE)

Specification MIL-F-21467D(SHIPS) was canceled by Notice-1 dated 8 August 1974. Future procurement for flareless fittings which may be required for maintenance and overhaul shall be made in accordance with the requirements for class 2, flareless fittings only, as specified in Military Specification MIL-F-18866, Fittings, Hydraulic Tube, Flared, 37 Degree and Flareless; Steel. Flared fittings shall not be used as a replacement for flareless fittings.

(Copies of specifications, standards, drawings, and publications required by suppliers in connection with specific procurement functions should be obtained from the procuring activity or as directed by the contracting officer.)
