GGG-S-75
INTERIM AMENDMENT-2
October 28, 1959

FEDERAL SPECIFICATION

SAW SET, HAND

This Interim Amendment was developed by Standardization Division, Federal Supply Service, General Services Administration, Washington 25, D. C., based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above. The General Services Administration has authorized Federal agencies to use this Interim Amendment as a valid exception to Federal Specification GGG-S-75, dated October 3, 1955.

Page 2, paragraph 3.7.4, last sentence: Delete and substitute: "The plunger and mating face of the anvil shall be either parallel or within 4 degrees of being parallel at the point of contact in any adjustable position of the anvil."

Page 4, paragraph 4.5.2, line 5: Delete "to 16".
