AMENDMENT

TO

INTERIM FEDERAL SPECIFICATION

MATS, FLOOR (FOR CHAIRS)

This Amendment was developed by the Federal Supply Service, General Services Administration, Washington, D. C., 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized Federal agencies to use this Amendment as a valid exception to Interim Federal Specification ZZ-M-0043b(GSA-FSS), dated December 22, 1966.

Page 2, paragraph 3.7 Color and finish. Delete in its entirety and substitute the following:

"3.7 Color and finish. Unless otherwise specified (see 6.2), the color of the mat shall be brown. There shall be no spotting or change in color of the mats when tested as specified in 4.3.3. Class 1 mats shall have a smooth, polished, water-resistant finish on the top surface and the floor side. Class 2 mats shall have a smooth, polished water-resistant finish on the top surface and the floor side shall have a rough finish. The rough surface on the floor side shall be of a quality to minimize slipping and skidding. The edges of the mats shall be smoothly beveled and the corners rounded."
