SS-C-1960/4
CANCELLATION
February 5, 1985

FEDERAL SPECIFICATION SHEET

CEMENTS, HYDRAULIC, BLENDED

This cancellation is approved by the Assistant Administrator, Office of Federal Supply and Services, General Services Administration.

Federal Specification SS-C-1960/4B, dated May 24, 1977, is hereby canceled.

The American Society for Testing and Materials (ASTM) Standard C 595, Blended Hydraulic Cements, adequately covers the requirements for this material.
