7. Page 24, paragraph 6.2(c): Replace with the following:

"6.2(c) Levels of preservation, packaging and packing required."

8. Page 24, paragraph 6.2(d): Replace with the following:

"6.2(d) If rough handling test or cyclic exposure test is required."

9. Pages 24 and 25, paragraph 6.2 e(2): Delete in its entirety.

10. Page 26: Add the following paragraph:

"6.11 Dimensional data.- Sizes of packaging materials prescribed in Section 5 are based on the dimensions of the equipment cited on the applicable Bill of Material. When the dimensions of the equipment vary from those cited, the sizes of the packaging materials shall be adjusted accordingly. When shown in the Bill of Materials (see Section 5), corrugated fiberboard manufactured with A, B or C fluting may be used at the option of the contractor. When the fluting used is not the same as that cited in the Bill of Material, the dimensions of the affected packaging and packing materials will be adjusted accordingly."
