PAGE 3

Add a note: “8. Tin/lead plating over copper plating with a minimum lead content of 3 percent."

PAGE 6

TABLE III: delete “Intermediate current” and substitute “Mixed loads”.

PAGE 7

Add as a new paragraph: “Qualification by similarity: See MIL-PRF-6106.”

* Add new paragraph after "Qualification by similarity": "Group B and Group C inspections may be suspended at the discretion of the qualifying activity.”

The margins of this amendment are marked with asterisks to indicate where changes from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
