Unit. Package (PG).

For Strength 1 and Strength 2, Type I, shall be supplied in a commercially available vial. One package containing 25 vials, as specified, constitutes one unit.

For Strength 2, Type II and Strength 3, Type II, shall be supplied in a commercially available 100 ml vial. One package containing 10 vials, as specified, constitutes one unit.

For Strength 3, Type I, shall be supplied in a commercially available vial. One package containing 10 vials, as specified, constitutes one unit.

For Strength 4, shall be supplied in a commercially available multiple-dose pharmacy bulk vial. One package containing 6 vials, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.
