* 4.3.4, Add the following paragraph:

"4.3.4.2 Slip Stitch Test. A sample of 50 bandoleers shall be subjected to a slip stitch test. The slip stitch will be removed by pulling the slip stitch thread overhang until the slip stitch is completely removed. No locking of the slip stitch shall occur. If three or more bandoleers fail to comply with the above requirement the lot shall be rejected. If one or two bandoleers fail to comply with the requirements, a second sample consisting of the same number of units as specified in the first sample shall be tested. If in the accumulated sample four or more units fail to comply with the requirements, the lot shall be rejected."

PAGE 5

* 4.4.1, Line 2, delete the words "7035 grains plus or minus 20 grains" and substitute "1 pound plus or minus 0.05 pounds"

The margins of this amendment are marked with an asterisk or vertical lines to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
