REQUIREMENTS:

Design:

Dimensions and configurations:	See figure 1. Lampholder shall be designed to accommodate double contact bayonet candelabra base lamps.

Material:

Base plate and shell:	Steel, zinc or cadmium plated, or aluminum.
Contacts:	Brass or corrosion resistant steel
Springs:	Phosphor bronze or spring steel plated.
Insulating disc:	Laminated or molded plastic.
All other parts:	Brass or copper alloy.
Construction:	Lampholder shall consist of a metal shell housing a sliding insulating base containing two contacts to which the lead wires are securely attached. A single coiled spring between the insulating base and the metal base plate shall provide contact pressure with the lamp base.
Assembled lampholder:	May be any commercial type of similar shape and contour complying with the requirements of this specification sheet and bearing Underwriter's Laboratory approval.
Electrical rating:	125-volts, 75-watts.

TESTS:

First article inspection:	Shall be in accordance with MIL-L-970, except the heat test is not required.
Quality conformance inspection:	Shall be in accordance with MIL-L-970.

GENERAL INFORMATION: General information is as follows:

(a) Military part number: M970/14-1.
(b) National Stock Number: 6250-00-362-2154.
(c) This specification sheet supersedes no Military Standard or Drawing.

Revision letters are not used to denote changes due to the extensiveness of the changes.

STANDARDIZATION DOCUMENT IMPROVEMENT PROPOSAL

OMB Approval
No. 22-R255

INSTRUCTIONS: The purpose of this form is to solicit beneficial comments which will help achieve procurement of suitable products at reasonable cost and minimum delay, or will otherwise enhance use of the document. DoD contractors, government activities, or manufacturers/vendors who are prospective suppliers of the product are invited to submit comments to the government. Fold on lines on reverse side, staple in corner, and send to preparing activity. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements. Attach any pertinent data which may be of use in improving this document. If there are additional papers, attach to form and place both in an envelope addressed to preparing activity.

DOCUMENT IDENTIFIER AND TITLE
