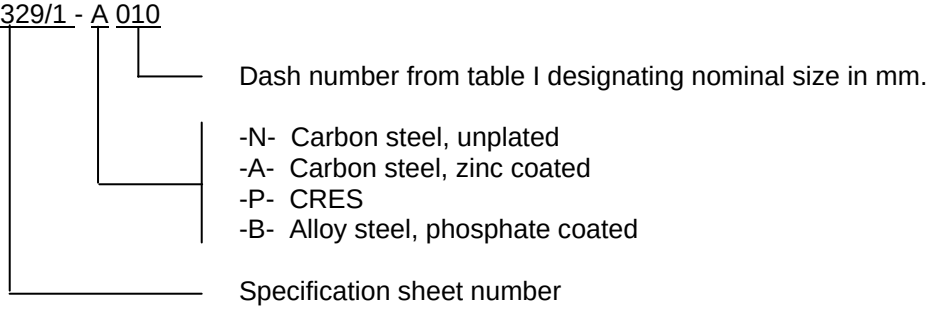
Check the source to verify that this is the current version before use.

REQUIREMENTS::

1. Part number. The part number consists of the letter “D” followed by the basic number of this specification sheet, a code letter indicating material and finish, and a dash number taken from table I.

EXAMPLE: D70329/1 - A 010



2. Configuration. See figure 1.

3. Subject term (key word) listing.

Carbon steel, unplated
Carbon steel, zinc coated
CRES
Alloy steel, phosphate coated

4. Changes from previous issue. The margins of this specification are marked with vertical lines to indicate where changes from the previous issue were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous issue.
