COMMERCIAL ITEM DESCRIPTION

CUTTER, GRINDER

The General Services Administration has authorized the use of this commercial item description.

Salient characteristics:

Conform to Underwriters Laboratories Standard No. 45.
Belt-driven with precision ball bearing spindle.
120 VAC universal motor with preloaded ball bearings.
Tool head with indexing device.
2-1/4 inch grinding wheel for high speed steel cutters.
Collets for 1/8, 11/64, 1/4, or 5/16 inch cutters.
Furnished with: Diamond dresser.
Endless motor belt.
Socket spindle wrench.
Spindle lock pin.
Instruction booklet.

Workmanship. Shall be free from fins, burrs, rough or sharp edges, and defects which may impair serviceability, durability, or appearance.

The issue of UL Standard 45 in effect on the date of the solicitation shall be used to determine compliance with stated requirements.

Certification. The contractor shall certify that the product offered meets the salient characteristics of this description and that the product conforms to the producer's own drawings, specifications, standards, and quality assurance practices and is the same product offered for sale in the commercial marketplace. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Recovered materials. The manufacturer shall utilize recovered materials to the maximum extent practicable.

Preservation, packaging, packing, and marking. The cutter shall be preserved and packaged in accordance with normal commercial practice and packed in fiberboard boxes that will assure acceptance by common carrier and provide product protection against loss and damage during multiple shipments, handling, and storage. The shipping container shall be in compliance with National Motor Freight Classification and Uniform Freight Classification. Marking shall be as specified in the contract or order.

Note: Assigned National Stock Number (NSN) 3415-00-288-4800.

UL Standards are available from Underwriters' Laboratories Inc., 1285 Walt Whitman Road, Melville, Long Island, NY 11747.
