COMMERCIAL ITEM DESCRIPTION

POTATOES, WHITE, (PEELED)

The U.S. Department of Agriculture has authorized the use of this Commercial Item Description in lieu of Federal Specifications HHH-V-1867/Gen and HHH-V-1867/6.

Salient Characteristics. This Commercial Item Description covers peeled white potatoes, packed in commercially acceptable and suitable containers.

The product shall conform to the applicable options in the following list which shall be specified, as required, in the contract or purchase order.

Styles:

(a) Whole

(b) Whole and cut

(c) Cut and whole

(d) Sliced

(e) Diced

(f) French style or shoestring

(g) Cut

Grades:

(a) U.S. Grade A

(b) U.S. Grade B

The peeled white potatoes shall conform to all applicable requirements of the United States Standards for Grades of Peeled Potatoes.

Unless otherwise specified in the contract or purchase order, the peeled white potatoes shall be prepared from the latest year's crop prior to purchase by the Federal Government.

Contractor's Certification. The contractor shall certify that the product offered meets the specified salient characteristics of this Commercial Item Description; conforms to the producer's own specifications and standards, including product characteristics, manufacturing procedures, quality control procedures, and storage and handling practices; is the same product

sold on the commercial market; has a national or regional distribution from storage facilities located within the United States, its territories, or possessions; and is sold on the commercial market with commercial sales to the public sector predominating over sales to the Federal Government. The Government reserves the right to determine proof of such conformance prior to the first delivery from point of origin and any time thereafter, up to and including delivery at final destination, as may be necessary to determine conformance to the provisions of the contract.

Regulatory Requirements. The delivered product shall comply with all applicable Federal and State mandatory requirements and regulations relating to the preparation, formulation, processing, labeling, storage, distribution, and sales of the product in the commercial marketplace.

Quality Assurance. When required in the contract or purchase order, the peeled white potatoes shall be product graded and certified as to grade and condition of containers by the Processed Products Branch, Fruit and Vegetable Division, Agricultural Marketing Service, U.S. Department of Agriculture. The product grade and condition of containers of the peeled white potatoes shall be determined in accordance with the established requirements of the U.S. grade and condition of container standards in effect on the date of the solicitation.

Packaging, Packing, Labeling, and Marking: (As appropriate and applicable). The peeled white potatoes shall be packaged, packed, and case marked in accordance with good commercial practice. Commercial labeling and packaging, as may be augmented by the contract or purchase order, shall be acceptable. Shipping containers, as applicable, shall comply with National Motor Freight and Uniform Freight classifications.

Notes.

Copies of the United States Standards for Grades of Peeled Potatoes, the United States Standards for Condition of Food Containers, and Regulations Governing Inspection and Certification of Processed Fruits and Vegetables are available from the Office of Information, Agricultural Marketing Service, U.S. Department of Agriculture, Washington, DC 20250.

Applicable provisions of the Federal Food, Drug, and Cosmetic Act are contained in 21 CFR Parts 1 to 199. This three-volume set may be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402.
