Check the source to verify that this is the current version before use.

Dimensions (inches)	Regular (overall)	Miniature (overall)
Anchor		
Length (overall)	1-13/16	1-1/16
Width of anchor stock	1-1/16	5/8
Width of anchor across flukes	1-3/16	3/4
Tolerance	± 1/32	± 1/32

Thickness: (at thickest point): 0.095 inch (minimum) for regular and 0.065 inch (minimum) for miniature measured at anchor flukes.

Finish: 24 Karat Gold Electroplated, mirror-like polish and lacquered.

Forcer: No forcer permitted.

Placement of attachment:

Regular:

One screw post and one prong shall be required. One knurled thumb nut of 1/2 inch diameter shall be required. One clutch fastener for the prong shall be required. The screw post and nut shall be properly sized to accommodate each other. The screw post shall be of brass material with a gold-like finish.

A screw post shall be fused (soldered or electronic fusion) to the center back of the anchor shank and fitted with a thumb-nut. A prong shall be fused (soldered or electronic fusion) to the top back of the anchor shank. The measurement between the centers of the screw post and prong shall be 11/16 (± 1/32) inch.

Miniature: Two prongs and two clutch fasteners are required. The prongs shall be centered and fused (soldered or electronic fusion) to the back of the anchor, one at the top end of the shank and one at the bottom point of the anchor. The measurement between the centers of the prongs shall be 19/32 (± 1/32) inch.

Where used: The insignia shall be worn on the hat (regular size) and on the garrison cap (miniature size) by the following personnel:

Regular	Naval Academy Midshipmen
	Naval Reserve Officer Training Corps Midshipmen
	Officer Candidates
	Reserve Officer Candidates
	Aviation Officer Candidates
	Navy Enlisted Dietician Education Program Students
	Navy Enlisted Nurses Education Program Students
	Navy Enlisted Scientific Education Program Students
Miniature	Naval Academy Midshipmen
	Naval Reserve Officer Training Corps Midshipmen

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
