Construction and Placement of Attatchment:

Regular:

Two screw post shall be required. Two knurled thumb nuts of 1/2 inch diameter and one two prong lock washer of 3/8 inch diameter shall be required. The screw posts and nuts shall be properly sized to accommodate each other. The screw posts shall be of brass material. The top screw post shall have a gold-like finish and the bottom screw post shall have a silver-like finish.

A screw post shall be fused (soldered or electronic fusion), centered on the back of the insignia in the widthwise direction and shall fit into a drilled hole and fitted with a pronged washer and thumb nut. An additional screw post shall be fused (soldered or electronic fusion) to the middle of the eagle's head, 1/2 (± 1/32) inch from the extreme bottom of the shield and 9/16 (± 1/32) inch away from the extreme top of the shield. The measurement between the centers of the screw posts shall be 15/16 (± 1/32) inch.

Miniature:

The insignia shall consist of two parts: Gold eagle and silver shield and anchor. The eagle's shield area shall have a pre-drilled hole of a suitable size and centered to accommodate a rivet. The pre-drilled hole in the eagle shall be centered widthwise and be 1/2 (± 1/32) inch from the extreme tail feathers of the eagle in the lengthwise direction and be 7/16 (± 1/32) inch from the extreme top of the eagle's head. The silver shield and anchor shall

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
