COMMERCIAL ITEM DESCRIPTION

LENS, INDIRECT OPHTHALMOSCOPE

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers a hand held viewing lens for use with indirect binocular ophthalmoscope during fundus examination.

Salient characteristics:

General. The lens shall be aspheric type, 20 ± 1 diopter power. It shall be not less than 54 mm diameter and encased with a light weight metal or plastic holding frame. A reuseable protective case shall be provided for each lens.

Material. It shall be made of white optical crown glass. Index of refraction shall have a range of 1.53 to 1.70. Visible light transmittance shall be not less than 92% uncoated.

Finish. The lens shall be ground to required power. It shall be free from spherical aberration and coma. Coating on the lens surfaces is permitted to minimize scratch and light scattering.

Identification marking. The lens holder shall permanently marked with lens power and manufacturer's name or trade mark.

Workmanship. The lens shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Each (EA). One lens with case, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

INSTRUCTIONS In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements.
