COMMERCIAL ITEM DESCRIPTION

MAGNIFIER, FOLDING, DOUBLE LENS

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers a double lens folding magnifier for general magnification purpose.

Salient characteristics:

General. Shall be a folding magnifier containing two lenses. When it is not in use, it shall be able to be stowed in a hard protective pod and swing out when needed. The lens shall be able to be used singly to obtain 5X power or in combination to obtain 9X power. The objective focal distance shall be from 1-1/2 to 3 inches. Each lens shall be not less than 1 inch diameter ± 1/8 inch.

Material. The lenses shall be made from high grade white ophthalmic grounded glass and each lens shall be encased in a plastic rim. The protective pod shall be made of either hard plastic or hard rubber.

Finish. The lenses shall be free of bubbles, inclusions, striae, cloudiness or waviness on the surfaces. No distortation or rainbow hue shall be detected when viewing an object. The protective pod shall be smooth throughout with no sharp corners.

Workmanship. The magnifier shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Each (EA). One magnifier, as specified, constitutes one unit.

Product Quality Level.

Visual and dimensional examination. Contractor shall be examined to verify that design, construction and workmanship are in accordance with applicable requirements.

AMSC N/A FSC 6650

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Materials. The contractor shall be responsible for performing tests to assure that materials are in accordance with requirements specified.

Unit. Each (EA). One magnifier, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug, and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use the covered material in accordance with Public Law 94-580 to the maximum extent practical.

Preservation, packaging, packing, labeling and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.
