COMMERCIAL ITEM DESCRIPTION

GAUZE, ABSORBENT (Nonsterile)

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers an absorbent gauze used for surgical dressings.

Salient characteristics: Gauze, Absorbent, USP Type VII, (Nonsterile), white, flat folded to permit cutting with electric gauze cutter, 36 inches folded to 18 inches wide, 100 yards long, 2 ply.

Metric products. Products manufactured to metric dimensions will be considered on an equal basis with those manufactured using inch-pound units, providing they fall within the tolerances specified using conversion tables contained in the latest revision of Federal Standard 376, and all other requirements of this commercial item description are met.

Contractor certification: The contractor shall certify that the product offered meets the salient characteristics of this description, and conforms to the producer's own drawings, specifications, standards and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements

Federal Food, Drug and Cosmetic Act - If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.
