COMMERCIAL ITEM DESCRIPTION

TIP, CANE AND CRUTCH

The General Services Administration has authorized the use of this commercial item description in preference to Federal Specification ZZ-T-351C.

This commercial item description describes a rubber tip for use on canes and crutches.

Salient characteristics: Tips, Cane and Crutch, rubber, corrugated inside wall, concave corrugated surface with metal disc on inside surface of base section, size 18a and 18b, 1.91 cm ID.

Size A. 18a 1-5/8 inches high - 1-3/8 inches diameter of base (4.12 cm high - 3.49 cm diameter of base)

B. 18b 2-7/8 inches high - 2 inches diameter of base (7.30 cm high - 5.08 cm diameter of base); reinforcement ribs (minimum eight) located on and evenly positioned around the outside tapered diameter of the tip.

Workmanship. The tips shall be free from defects which detract from their appearance or impair their serviceability.

Metric products. Products manufactured to metric dimensions will be considered on an equal basis with those manufactured using inch-pound units, providing they fall within the tolerances specified using conversion tables contained in the latest revision of Federal Standard No. 376, and all other requirements of this document are met.

If a product is manufactured to metric dimensions and those dimensions exceed the tolerances specified in the inch-pound units, a request should be made to the contracting officer to determine if the product is acceptable.

The contracting officer has the option of accepting or rejecting the product.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements

Federal Food, Drug and Cosmetic Act - If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by it subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its contractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials - The offeror/contractor is encouraged to use recovered material in accordance with Federal Acquisition Regulation Subpart 23.4 to the maximum exten practical.

Preservation, packaging, packing, labeling, and marking - Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE. The following National Stock Numbers are covered by this document:

NSN	SIZE	NOMENCLATURE
6515-01-013-3911	B	TIP, CANE AND CRUTCH
6515-00-079-4130	B	TIP, CANE AND CRUTCH
6515-01-013-3912	A	TIP, CANE AND CRUTCH
