MILITARY SPECIFICATION

CHAIN: OPEN LINK, STEEL, WELDED

(For Mooring Buoys)

This amendment forms a part of Military Specification MIL-C-22521A(CO), 9 December 1960.

Page 1, paragraph 1.2, under Sizes: Delete "5/8 inch".

Page 1, paragraph 2.1, under SPECIFICATIONS Military: Delete specification symbol "MIL-D-16974" and substitute "MIL-S-16974".

Page 3, Table I: Delete link dimensions for wire diameter "5/8".

Page 4, Table II: Delete Size 5/8 and accompanying data.

Page 4, beneath Table II: Delete "*Nominal weight of 7-1/2-fathom length of 5/8 size chain shall be 162 pounds."

Page 6, paragraph 5.1, under Chain Size (Inches): Delete lines 2 and 3 specifying length per bundle of chain size 5/8 (7-1/2-fathom and 15-fathom lengths).
