INTERIM COMMERCIAL ITEM DESCRIPTION

PHENYLEPHRINE HYDROCHLORIDE NASAL SOLUTION, USP

The General Services Administration has authorized the use of this Interim Commercial Item Description which was developed by the Defense Personnel Support Center, Directorate of Medical Materiel, DPSC-RST, 2800 South 20th Street, Philadelphia, PA 19101, based upon currently available technical information. This document may be used in preference to Military Specification MIL-P-37496 dated 2 December 1976.

Salient Characteristics:

Shall be Phenylephrine Hydrochloride Nasal Solution, USP.

Shall be in accordance with the requirements of the USP.

Shall contain suitable buffers and preservatives as needed to render the solution isotonic and non-irritating.

All ingredients shall be of pharmaceutical grade.

For Strength 1, shall contain 1 percent of Phenylephrine Hydrochloride, within the applicable assay limits for the solution.

For Strength 2, shall contain 0.25 percent of Phenylephrine Hydrochloride, within the applicable assay limits for the solution.

For Strength 3, shall contain 0.125 percent of Phenylephrine Hydrochloride, within the applicable assay limits for the solution.

Workmanship. The Solution shall be free from defects which detract from its appearance or impair its serviceability.

Unit.

For Size 1- Bottle (BT). One bottle containing 1 pint (473 ml), as specified, constitutes one unit.

AMSC/NA FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

shall have a slot in the center of the container and

For Size 2- Package (PG). One package containing 1 fl oz (29.5 ml) in a screw-cap dropper bottle, or in a screw-cap bottle with separate dropper, as specified, constitutes one unit.

For Size 3- Package (PG). One package containing 0.5 fl oz (15 ml) in a screw-cap dropper bottle, or in a screw-cap bottle with separate dropper, as specified, constitutes one unit.

For Size 2 and Size 3, the screw-cap dropper bottle shall have a minimum height of 51 mm base to shoulder or the screw-cap bottle and separate dropper shall be packaged together in a commercially available container with a minimum height of 51 mm base to shoulder.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
