COMMERCIAL ITEM DESCRIPTION

PROTECTOR, HEEL

The General Services Administration has authorized the use of this commercial item description.

This Commercial Item Description covers a plastic heel protector for protection against new or recurring heel injuries or skin fissures.

Salient Characteristics.

Shall be a semi-contoured, lightweight, unbreakable, plastic heel protector, for protection against new or recurring heel injuries or skin fissures. Helps to dissipate shock over a wide area.

Shall conform to heel shape through body heat.

Shall be completely ventilated.

Workmanship. The heel protector shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Each (EA). One heel protector, as specified, constitutes one unit.

Quality Assurance Provisions

Responsibility for inspection. Unless otherwise specified in the contract or purchase order, the contractor is responsible for the performance of all inspection requirements as specified herein. Except as otherwise specified in the contract or purchase order, the contractor may use his own or any facilities suitable for the performance of the inspection requirements specified herein, unless disapproved by the Government. The Government reserves the right to perform any of the inspections set forth in the specification where such inspections are deemed necessary to assure supplies and services conform to prescribed requirements.
