INTERIM COMMERCIAL ITEM DESCRIPTION

CALCIUM CARBONATE AND VITAMIN D_2 TABLETS

The General Services Administration has authorized the use of this Interim Commercial Item Description which was developed by the Defense Personnel Support Center, Directorate of Medical Materiel, DPSC-RST, 2800 South 20th Street, Philadelphia, PA 19101, based upon currently available technical information.

Salient Characteristics:

Shall be Coated Calcium Carbonate and Vitamin D_2 Tablets.

Shall be coated Calcium Carbonate and Vitamin D_2 Tablets containing the following:

Calcium Carbonate 625 mg equivalent to 250 mg of elemental calcium.

Vitamin D_2 (Ergocalciferol) 125 USP units.

Various trace elements may be included.

All materials used in manufacture of tablets shall be of pharmaceutical grade.

The tablets shall assay to contain less than 92.5 percent and not more than 107.5 percent of the required amount of Calcium Carbonate when determined by the USP Method in the monograph for Calcium Carbonate Tablets, USP.

The tablets shall assay to contain not less than 100.0 percent required amount D_2 (Ergocalciferol) during the three year shelf life when determined by a suitable, accurate, and reproducible method(s).

The tablets shall have a 30 minute disintergration time, in simulated gastric fluid T.S. being used as the test medium, using the USP Method.

The tablets shall have a Dissolution Rate of NLT 85.0 percent in 30 minutes using 0.1N Hydrochloric Acid as the test medium and using the USP Rotating Basket, USP, Paddle Apparatus.

AMSC/NA PSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Check the source to verify that this is the current version before use.

The tablets shall contain not more than 40 microbes per gram when determined by a suitable, accurate, and reproducible method(s) acceptable to the FDA.

Workmanship. The Tablets shall be free from defects which detract from their appearance or impair their serviceability.

Unit.

For Size 1- Bottle (BT). One bottle containing 100 tablets, as specified, constitutes one unit.

For Size 2- Bottle (BT). One bottle containing 1000 tablets, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements.
